

The background of the image is a deep blue space filled with numerous small white stars. At the bottom, the curved horizon of the Earth is visible, with a bright blue light source on the horizon creating a lens flare effect that radiates upwards. The text is centered in the upper half of the image.

We all need a new focus... on the destination

Not here

**What's holding us back
from discovering new opportunities?**

The background of the slide is a deep space scene. At the bottom, the curved horizon of the Earth is visible, showing blue oceans and dark landmasses. A bright sun or star is rising directly behind the horizon, creating a lens flare effect with rays of light extending upwards. The rest of the background is a dark, starry field of distant galaxies and individual stars.

THE CHALLENGE OF
CHANGE

human-centric innovation
